Key Peninsula Historical Society

Goals for 2021 (developed November 2020)

Preserve Our History

- Acquire Peninsula High School yearbooks from 1947– current year
- Continue gathering written, oral and video-taped interviews
- Continue working on the digitization of our collection
- Develop a recruitment plan for docents and get former members to return

Present Our History

- Work with other KP organizations to increase our visibility
- Upgrade all our permanent display cases
- Work with our schools to educate the youth of the KP about local history

Dear Members and Friends,

As I write this, it looks like The June Gloom may be a thing of the past and summer is finally here to stay.

We are excited to tell you that the museum is **OPEN** as of June 8 during our regular hours of 1-4:00pm on Tuesdays and Saturdays. We invite you to come in and visit and enjoy our current display about the brave and daring women who helped settle the Key Peninsula. We do ask that if you have not been vaccinated to please wear your mask.

The restoration of Vaughn Library Hall will be picking up pace as the KPHS recently was awarded two large grants. One is a Pierce County Historical Preservation grant for \$25,000. The other one is from the State for \$100,000. The Pierce County grant goes towards the installation of a new and safe electrical system. The State grant will provide for exterior siding, trim, and other finishes that will match the original finishes. This will make the building safe from weather intrusion as well as secure. Through historic photos + forensic investigation, we know exactly where each finish occurred and how it looked, right down to the original colors.

We are very grateful for the support of both Emily Randall (D-26, Bremerton) and Michele Caldier (R-26, Port Orchard) for working together to help us procure the State grant.

We also received a grant from the Angel Guild and the National Society of Colonial Dames in the State of Washington. These grants helped us complete the restoration of the back stairs and enabled us to purchase the new doors for the basement along with some lap siding.

We are currently scheduled to hold our Annual Meeting this fall on September 18 from Noon -- 3:00pm in the Whitmore Room at the KPCC. Because we are still taking precautions, this meeting will not be a potluck as they have been in the past. Instead, we will offer coffee and cookies. Our featured speaker is yet to be determined, so stay tuned for more information coming later.

Our PHS Seahawk Scholarship winners this year are Lydia Oliver and Angelina Hilley. Congratulations to them!

Carl Albrecht has joined the museum and will be working with Rob Hord on the IT side of cataloging and sorting our collection. Welcome Carl!

Attached, you will also find a history of the early days of the Vaughn Library Hall that Paul Michaels and Bart Wolfe have researched and written.

Wishing you all a summer filled with family visits and fun times. Stay safe.

Vaughn Library Hall — Exciting Phase 2 Update!

By Bart Wolfe and Paul Michaels

It's been an exciting couple of months for the ongoing restoration of our favorite Hall. We've made a lot of progress AND we've been awarded a number of grants!

We are working our way through Phase 2 and starting to look toward Phase 3 of our 6 Phase restoration.

Phase 2 consists of:

- Installing the new exterior entries
- Installing all exterior siding and trim
- Installing all site drains around the building
- Installing the new electrical service + part of the new electrical system.

Phase 3 will restore the interior of the library. This will give visitors a sneak preview of the completed building while we continue restoring the rest.

We've previously completed the site drains and front entry work. In the last few months we've harvested and prepped a new pole for the top of the tower roof, installed gutters and downspouts, finished the side entry and stair upgrades, and are now starting to install the new basement doors.

Volunteers Ken Wassum, Paul Michaels and Rick Thompson complete the side stairs

All of this is good timing because we've received 3 grants:

- Our volunteers will start installing lap siding soon due to a \$5,000 grant we received from the National Society of Colonial Dames.
- Our electrical contractor will begin installing the new electrical service thanks to a \$25,000 grant from Pierce County's Landmarks and Historic Preservation Commission.
- Washington State awarded us a \$100,000 grant as part of its current budget! A big thank you to Senator Emily Randall and Representative Michelle Caldier for shepherding this through! This will be used by our contractor, Chuck West, to restore the tower + install all exterior cedar shingle siding and remaining trim. Hope you caught the article in the KP News about this!

We are thrilled that these 3 grants, along with others previously received, will take us a long way toward completing our restoration. Construction costs have risen dramatically in the last year but we are guardedly optimistic these grants will complete the exterior of the building + the start of a safer electrical system!

BUT, we still need to raise the funds to finish the interior of the building. Upcoming work, currently unfunded, includes:

- Completing the electrical system including new lighting fixtures
- Installing internet and Wi-Fi infrastructure
- Installing the heating and air conditioning system
- Rebuilding the stage area including roof beams above
- New and restored floor, wall and ceiling finishes throughout
- New basement shelving for museum storage
- New displays and furnishings throughout so visitors will see and feel what it was like 125 years ago.

We will continue to apply for grants to achieve all this. But there's no guarantee of securing grants; they can't be our only funding source. We therefore need your help as well. Any size donations will be appreciated. To assist, we have created ways and levels of suggested giving. For instance you can buy a light fixture, part of the stage, some library cabinets. Can't decide? Well -- you can also contribute by level. See Page 6 for details.

All donors' names will be listed on a commemorative plaque, unless they wish to remain anonymous, that will be on display when the hall is finished. And, because we are a non-profit, all donations are tax deductible to the full extent of the law!

Please give what you can! Even a small amount can add up when enough people give. KPHS is committed to restoring the Hall to its former glory. Our sincere thanks to all those who help us do this!

Vaughn Library Hall — Anticipating Construction Phase 2

Answer the Call — Save the Hall!

The VLH is seriously dilapidated and repairs are urgently needed to its structure, as well as to make it secure and restore its weatherproofing. Future work will also restore its interior and exterior finishes.

Help us restore this important historic building!

1. The Vaughn Library Hall is the last of all the original meeting halls on the KP. Once, every community had one. Now all are gone except VLH.
2. The VLH is original and was built in 1893 as the community of Vaughn was founded.
3. The VLH has been recognized as an important building that should be saved and preserved. It is now listed on both the Pierce County Historic Building Register and the Washington State Historic Building Register.
4. It is one of the oldest buildings still standing on the KP. The floor, walls and ceilings are original (125 years old) and were made from trees growing on the site and milled at the nearby Van Slyke sawmill.

Mission Statement

The mission of the Key Peninsula Historical Society is to gather, record, preserve and disseminate information on the history of the Pierce County area generally known as the "Key Peninsula," so that succeeding generations of residents will have a firm and accurate record from its early exploration and settlement to the present.

Membership is important and can be a great gift for birthdays, Christmas or thank you's. 2021 dues were payable by December 31, 2020, to be current, but your membership is extremely important to us at any time as the strong foundation of the Key Peninsula Historical Society. Have you thought about the value of our historical society to our community?

Together we:

1. Collect, preserve, study, interpret, share the history of the Key Peninsula.
2. Act as a resource for research to individuals, families, businesses, organizations, governments, schools and authors.
3. Encourage members of the community to explore and celebrate our ongoing history.
