

Key Peninsula Historical Society
Goals for 2022 (developed November 2021)

Preserve Our History

- Acquire Peninsula High School yearbooks from 1947– current year
- Continue gathering written, oral and video-taped interviews
- Continue working on the digitization of our collection
- Develop a recruitment plan for docents and get former members to return

Present Our History

- Work with other KP organizations to increase our visibility
- Upgrade all our permanent display cases
- Work with our schools to educate the youth of the KP about local history

Dear Members and Friends,

Spring is almost here, though March has always been a tricky weather month.

Your hardworking volunteers at the Vaughn Library Hall have completed installing (again) the siding on the corner of the Hall where it was damaged by the hit-and-run car accident.

It took about 5 months, but we finally got all the documentation completed for the State to OK our grant. Who knew we would need all those different kinds of insurance policies? We also, finally, got approval from the County Council for the Landmarks grant. And thank you to the Angel Guild for their generous gift.

Needless to say, there will now be lots of things to work on at the Hall. If you are interested and able to help, Bart will be more than happy to find something for you to do. Just bring your hammer.

Our Annual Meeting has been scheduled for March 26, 1-3:00 pm in the Whitmore Room at the KPCC. No potluck this year – coffee and cookies only – as we are still being cautious about Covid. We will be voting on the slate of Officers. They are listed inside this newsletter. We are looking forward to seeing you in person again!

Our display for this year — *Time Marches On* — covers the years from 1920 to 1950. It continues its focus on the women of the KP. We will be opening our doors again on Saturday, March 19 at 1:00 pm. The difference that electricity and slightly better roads brought to the lives of the women out here on the KP had a huge impact. The Depression and WWII brought all kinds of new challenges and some opportunities, as women stepped up to fill the gaps left by the men who left to fight.

We have been invited to participate again in STREAM night later this spring, and are looking forward to working again with the children at Vaughn Elementary and meeting their parents.

Also, don't forget that we have put together an auto tour of 6 of our local communities. These are for children and their families. They are called a *Journey into Key Peninsula History* and are an historically-based scavenger hunt. You can download a tour for each community. There is a short history lesson for each site you visit on the tour and a quiz at the end. When the quiz is finished it can be returned to the museum for a small prize. Visit our website for more details.

Thanks to all of you who were able to turn out for the El Sombrero dinner on Wednesday night and help with our fundraising efforts for the two \$500 scholarships we give annually to students from Peninsula High School.

Happy Spring to all, and stay well. Until we meet again, *sláinte!*

Take a Journey into Key Peninsula History!

Several of us worked last Fall on gathering information about 6 of our communities and then created auto-tour Journeys that are scavenger hunts for historical information. These Journeys give a bit of history about each of our KP communities and direct you towards some of the historical sites located there. After visiting each community, use the last page to answer questions and draw pictures.. If you do the Journey while we are closed, please contact us at kphsmuseum@gmail.com to arrange a time to meet with a docent, deliver your work and receive your prize. The museum will re-open March 19, 2022, from 1:00 – 4:00 p.m on Tuesdays and Saturdays. Visit the museum to show the docent your work and receive a prize. While there, take time to look at the new display and learn more about local history.

Get your guide from our website, then follow the maps to the historic sites.

In Remembrance ... Dulcie Schillinger

By Joe Dervaes

Dulcie Jean (Van Slyke) Schillinger, 93, of Vaughn, WA died on December 7, 2021, at St. Anthony's Hospital in Gig Harbor, WA. She was born in Vaughn, WA in the house on the corner of Hall and Van Slyke Roads on September 27, 1928. She began life in Vaughn, just 2 years after electricity had arrived on the scene. She was a pioneer and farmer's daughter, and loved it! She went to Vaughn Grade School (now the Key Peninsula Civic Center) until 1942, at the end of Seventh Grade. Her Van Slyke Family then moved to Tacoma near Wright Park. She attended Jason Lee Junior High School and Stadium High School.

In 1946, at age 17, Dulcie married Ron Schillinger, Sr. from Victor. By 1952, when she was 24 years old, she had three small children to raise: Ron Jr., Susan, and Denise. Dulcie and her husband built their home together in Vaughn on land that had been owned by her Van Slyke ancestors for three generations.

Family and friends were always welcome at the Schillinger home and beach, and many holidays and special celebrations were hosted there as well. Dulcie did a lot of canning, sewing, and landscaping as a stay-at-home Mom. Her hobbies were piano, dance, photography, reading, and swimming. She was also an outstanding golfer and bowler.

In 1953, Dulcie began teaching swimming and life saving every Summer on the Key Peninsula for the Red Cross and Pierce County, and often used the family swimming pool to teach many Vaughn residents how to swim. She received a Bachelor of Arts Teaching Degree from the University of Puget Sound in 1964. She subsequently taught Home Economics, Child Development, and Family Relations at Peninsula High School for ten years.

Dulcie was born with the values of God and Family as her priorities in life. She passed those values down to her three children and to members of all succeeding generations. She was a very active community member in Vaughn and on the Key Peninsula. She was a Charter member of Historic Vaughn Community Church where she was a Board Member Deaconess, and pianist. The Vaughn Parent Teachers Association honored her with a Life Membership Award in 1960. She was part of the group which acquired the Key Peninsula Civic Center from the Peninsula School District on behalf of all citizens of the Key Peninsula community, and served as Secretary in its early years.

She was also active in the Garden Club, Grange, and the Key Peninsula Historical Society and Museum, where she was a Board Member and Treasurer. She was also a Board Member, Secretary, and Historian for the Vaughn Bay Cemetery.

Dulcie's 93 years were filled with a lot of life! She was preceded in death by her parents, Chester and Dorothy Van Slyke; husband, Ron Schillinger, Sr.; second husband, Tyman Fikse; brother, Chester Van Slyke; and, daughter, Susan Rouse. She is survived by her son, Ron (Janet) Schillinger, Jr.; and daughter, Denise (Steve) Wood all of Vaughn; and son-in-law, Richard (Beth) Rouse of Mukilteo; sisters-in-law Patti Schillinger and Betty Van Slyke; 13 grandchildren; and 20 great-grandchildren; many nieces, nephews, and first, second, third, and fourth cousins on the Key Peninsula and in many states and countries in this world

Dulcie taught lifesaving and swimming in Vaughn to over 200 kids/year all summer long. (photo 1955)

Vaughn Library Hall — Post-winter and post-crash!!

By Bart Wolfe and Paul Michaels

Winter is over and spring is coming fast. The damage to the corner of the Hall, caused by a hit and run driver last November, is now becoming a distant memory (albeit a very expensive memory as well)! Structural repairs were completed last year and our volunteers were able to reinstall all of the salvageable siding, see the photo below. We bought new siding to complete the repairs but have been waiting for warmer weather so we could prime them before installing. Luckily we didn't have to wait too long, thanks to one of our volunteers, Frank Shirley. He "loaned" us his heated basement and his time to complete the priming. Now the last siding will go up when our volunteers get a day that isn't raining. Thank you Frank!

You'll notice, in the photo, the "historic" horse hitching post in front of the Hall's corner. This is actually a steel pipe, filled with concrete and sitting in a big concrete foundation. Besides being able to hitch your horse now, it should be a good way to stop future "hit and run" drivers from damaging our building's corner! We will be installing other attractive (and historically accurate) "barriers" to further protect the Hall's corner, stay tuned for updates. We don't ever want a repeat of last fall's disaster!

Siding progress + new historic hitching post!

Horses welcome at VLH!

This spring and summer we've got a busy scope of work planned thanks in large part to ongoing donations + a number of wonderful grants.

2021 Washington State grant, \$100,000: We have completed all pre-contract paperwork; construction covered by this grant should start later this month. Chuck West's crew will install all exterior cedar shingles to match the original shingle finish, including on the tower. They will also install the new tower pole that will extend about 20 feet above the tower roof, matching the original pole. Volunteers will install all board and batten finishes & trim along the basement walls. And, if material costs don't rise too much in the next 6 months, we'll be able to finish wiring the rest of the electrical system for lights, outlets and equipment inside the building.

2022 Pierce County Landmarks and Historic Preservation grant, \$31,500: This grant will be used to rebuild the historic stage + make repairs to the damaged rafters and beams overhead. Chuck West's crew will install all structural posts and beams; out volunteers will build the stage + associated ramps and stairs. Work will start this summer.

Angel Guild grant, \$4,700: This will allow us to completely finish the library! Work will start in the next month. When this is complete we will be able to give members and the public a "taste" of how the whole restoration will look. The library will not only house books from the original Vaughn Bay Public Library Association collection, it will also include a display of artifacts we have found as we cleaned and organized the building.

Liebergesell-Haase Family Foundation grant: \$500: Will be used to purchase some historically accurate lighting fixtures.

These grants will help us get closer to completing our restoration. But we still have a lot to do— some by contractors and some by our volunteers — before we can celebrate;. This will include:

- Historically accurate interior doors, frames and hardware
- Thermal insulation for areas above the ceilings and in the crawl space.
- Internet and Wi-Fi infrastructure
- The heating and air conditioning system
- New and restored floor, wall and ceiling finishes throughout
- New basement shelving for museum storage
- New displays and furnishings throughout so visitors will see and feel what it was like 125 years ago.

Vaughn Library Hall — Anticipating Construction Phase 2

Answer the Call — Save the Hall!

The VLH is seriously dilapidated and repairs are urgently needed to its structure, as well as to make it secure and restore its weatherproofing. Future work will also restore its interior and exterior finishes.

Help us restore this important historic building!

1. The Vaughn Library Hall is the last of all the original meeting halls on the KP. Once, every community had one. Now all are gone except VLH.
2. The VLH is original and was built in 1893 as the community of Vaughn was founded.
3. The VLH has been recognized as an important building that should be saved and preserved. It is now listed on both the Pierce County Historic Building Register and the Washington State Historic Building Register.
4. It is one of the oldest buildings still standing on the KP. The floor, walls and ceilings are original (125 years old) and were made from trees growing on the site and milled at the nearby Van Slyke sawmill.
