

Key Peninsula Historical Society
Goals for 2022 (developed November 2021)

Preserve Our History

- Acquire Peninsula High School yearbooks from 1947– current year
- Continue gathering written, oral and video-taped interviews
- Continue working on the digitization of our collection
- Develop a recruitment plan for docents and get former members to return

Present Our History

- Work with other KP organizations to increase our visibility
- Upgrade all our permanent display cases
- Work with our schools to educate the youth of the KP about local history

Dear Members and Friends,

Can you believe that this year is almost over? Where has the time gone? And what a year it has been for KPHS. We are almost back to pre-COVID levels for visitors and activities at the museum. Looking back, we were able to have an Annual Meeting, open our display on *The Women Who Dared – Time Marches On*, and have a Living History Day again for the elementary kids at Vaughn. We participated in STREAM nights at both Vaughn and Minter Elementary School. We had many first-time visitors at the museum. We were asked to provide some old photographs that will hang at the Mustard Seed Village. We also helped several people in searches for their lost families who lived on the KP at one time.

Your Board is still busy applying for grants that will help us get far enough along with the Vaughn Library Hall restoration to satisfy the Pierce County building permits. They expire in January of 2024, so we need to raise enough money to complete that work by December 2023. The cost of re-applying for permits, plus the real possibility that the code(s) have changed since we started this project, could be high. We certainly don't want to tear out any of the completed work to satisfy any new codes. And the re-permitting process is expensive. On a very positive note, Pierce County Landmarks Commission has once again approved our grant request (\$35,000). Now it is up to the County Council to fund that amount.

On a very positive note, during the course of this restoration, our volunteers have put in roughly 8,000 hours over the last five year. They have done some amazing work, and there are a lot of really nice stories that go with some of the things they have done and found in the Hall. And we couldn't do all this without the help of our community. Axia Tree Service donated their cherry-picker, with Zoltan as the operator, to help us put the pole in the tower. CS Flooring worked with us to get the best pricing for the library room floor. Kohler Heating and Air Conditioning, as a donation, held their costs for the new HVAC to the original bid from 1.5 years ago. Chuck West and crew made themselves available whenever we needed them. The Angel Guild has been very generous.

One of our volunteers who has helped several people with family researches is Joseph Pentheroudakis. His expertise in finding documents related to land ownerships and transactions, plats, old newspaper articles and genealogical searches has been a wonderful addition to what we can offer to our community. He spent several months researching the history of the building of the Purdy Bridge. The first one, built in 1892, was a drawbridge. In case you missed the *Key Peninsula News* articles, here is a link. <https://keypennews.org/stories/the-purdy-bridge-the-early-years,5519>

We will open the museum again in March, and hope to see you stop by. The exhibit for 2023 will feature our local veterans and where they served. We will also have a small section that will focus on the Civil Servants who supported them and our government. We look forward to sharing this with you.

We hope you have a wonderful holiday season with your family and friends. May 2023 bring you peace and joy.

Take a Journey into Key Peninsula History!

Several of us worked last Fall on gathering information about 6 of our communities and then created auto-tour Journeys that are scavenger hunts for historical information. These Journeys give a bit of history about each of our KP communities and direct you towards some of the historical sites located there. After visiting each community, use the last page to answer questions and draw pictures.. If you do the Journey while we are closed, please contact us at kphsmuseum@gmail.com to arrange a time to meet with a docent, deliver your work and receive your prize. The museum is open from 1:00 – 4:00 p.m on Tuesdays and Saturdays. Visit the museum to show the docent your work and receive a prize. While there, take time to look at the new display and learn more about local history.

Get your guide from our website, then follow the maps to the historic sites.

Vaughn Library Hall — Summertime and the living is BUSY!

By Bart Wolfe and Paul Michaels

Vaughn Library Hall's restoration continues in the right direction! We've still got a ways to go **BUT** (good news) there is the beginning of "light at the end of this restoration tunnel!!!" The combination of high-quality contractors + our wonderful group of volunteers (who keep coming back every week, thank you, thank you!) continue to be the key to our success.

We have reached a number of milestones so please read on.

The Hall's exterior: All siding and shingles are done and the new tower pole has been set!! Chuck West and his crew, + the amazing crane operator from Axia Tree Service, did the heavy lifting. What a day it was when the pole was set. The tower roof had to be opened up to insert the new pole. The pole is 37' long with half of it inside the tower and half visible above the roof, just like the original one! Pen Light had to cover and protect the adjacent power lines. And our wonderful neighbor Jacquie allowed us to place the crane in her yard so it was in the best place for lifting the pole. All went as planned and the roof was sealed up before the next rain storm! A great day!

The Hall's exterior still needs to be painted but that will have to wait for warmer weather. Also, for the outside, we still need to install handrails, porch rails and landscaping. When we're done, the Hall will match how it looked in 1926!

The Hall's library: Is almost finished! It has new flooring, wall paper, paint and trim to match its original appearance. Volunteers Roxanne and Rick Thompson installed all the wallpaper; C S Floors is responsible for the beautiful linoleum flooring. As soon as the bookcases are finished and books displayed, we will be able to give people a "taste" of the past and what the whole restoration will look like on the inside!

The Hall's heating & air conditioning system: Is done and running! Kohler Heating provided an excellent crew who wasted no time putting in a system that is not only energy efficient and "green" but has no visible ductwork and is very quiet. We want to keep the Hall at the right temperature BUT we don't want people to see or hear any "newfangled" technology; it spoils the historic ambience! Our volunteers will be able to work inside far more comfortably this winter than the past couple winters!

The Hall's electrical system: Is being completed now. The new electrical service was installed last year. Now Multiwire Electric is installing all lights, switches and outlets. Lights will match the original ones; we even have the original fixtures from the Main Hall and will reuse them!

What's left?: We are getting SO close to completing our restoration. But we still have a lot to do before we can celebrate. Some of the work left will be done by contractors and some by our volunteers. This will include:

- Thermal insulation for areas above the ceilings and in the crawl space.
- Historically accurate interior doors, frames and hardware
- Internet and Wi-Fi infrastructure
- Exterior painting, landscaping and railings
- New and restored floor, wall and ceiling finishes throughout
- New stage curtain
- New basement shelving for museum storage
- New displays and furnishings throughout so visitors will see and feel what it was like 125 years ago.

Vaughn Library Hall — Summertime and the living is BUSY!

By Bart Wolfe and Paul Michaels

The pole is placed on top.
The Hall ready for painting.

We have lights!

Financial support, so far, has come from a combination of grants AND individuals! We will continue to apply for grants, but we are only successful part of the time. So we need your help as well. **We are just \$75,000 away from finishing. Will you be the one to put our fundraising over the top? Let's finish this!**

Our building permit expires in January 2024 and we don't want to apply for another one (that will cost even more \$\$)! Please consider making a contribution of whatever size you think is appropriate to help us complete this. To assist, we have created levels of giving:

1. Level 1: \$50 - \$99 = Front door level
2. Level 2: \$100 - \$499 = Dance Hall level
3. Level 3: \$500 - \$999 = Stage Level
4. Level 4: \$1,000 - \$4,999 = Library Level
5. Level 5: \$5,000 and up = Tower level

All donors' names will be listed on a commemorative plaque – unless they wish to remain anonymous – that will be on display when the hall is finished. And, because we are a non-profit, all donations are tax deductible to the full extent of the law!

***We are getting so close to the finish line — please help us get across!!!
And please come by to see our progress!***

Vaughn Library Hall — Anticipating Construction Phase 2

Answer the Call — Save the Hall!

The VLH is seriously dilapidated and repairs are urgently needed to its structure, as well as to make it secure and restore its weatherproofing. Future work will also restore its interior and exterior finishes.

Help us restore this important historic building!

1. The Vaughn Library Hall is the last of all the original meeting halls on the KP. Once, every community had one. Now all are gone except VLH.
2. The VLH is original and was built in 1893 as the community of Vaughn was founded.
3. The VLH has been recognized as an important building that should be saved and preserved. It is now listed on both the Pierce County Historic Building Register and the Washington State Historic Building Register.
4. It is one of the oldest buildings still standing on the KP. The floor, walls and ceilings are original (125 years old) and were made from trees growing on the site and milled at the nearby Van Slyke sawmill.

Mission Statement

The mission of the Key Peninsula Historical Society is to gather, record, preserve and disseminate information on the history of the Pierce County area generally known as the "Key Peninsula," so that succeeding generations of residents will have a firm and accurate record from its early exploration and settlement to the present.

Membership is important and can be a great gift for birthdays, Christmas or thank you's. 2021 dues were payable by December 31, 2020, to be current, but your membership is extremely important to us at any time as the strong foundation of the Key Peninsula Historical Society. Have you thought about the value of our historical society to our community?

Together we:

1. Collect, preserve, study, interpret, share the history of the Key Peninsula.
2. Act as a resource for research to individuals, families, businesses, organizations, governments, schools and authors.
3. Encourage members of the community to explore and celebrate our ongoing history.
4. Develop community bonds between friends and neighbors.

Ways you can support our efforts to preserve and present the history of the Key Peninsula

Peninsula Food Market Receipts

Please keep your grocery receipts and turn them in at the museum. Through the support of you, the shopper, and the generosity of the Stolz Northwest Inc. at the Food Market, and Diane Jackman who does the tabulating, we are able to give up to \$1,000 to the Peninsula Hawks Scholarship Fund.

AmazonSmile Program

Do you shop at Amazon.com? If you do Amazon will donate 0.5% of the price of your eligible AmazonSmile purchases to Key Peninsula Historic Society whenever you shop on AmazonSmile. AmazonSmile is the same Amazon you know. Same products, same prices, same service. Just log in using the following link and you can get started. <https://smile.amazon.com>

Fred Meyer Community Rewards Program

Fred Meyer will donate up to \$2.5 million each year to non-profit organizations like the Key Peninsula Historical Society. All you have to do is link your Fred Meyer Rewards Card to the Key Peninsula Historical Society or use our NPO (non-profit number) #KQ878. You can also use our name — Key Peninsula Historical Society. Every time you shop at Fred Meyer and use your Rewards Card, a portion of the purchase price will be donated to support the museum. Customers have to update their status once a year. You can do it online.

www.fredmeyer.com/topic/community-rewards-4

'B' Caring Program through Bartell's Drug Stores

Next time you visit your local Bartell's ask for a B Caring card application and designate the Key Peninsula Historical Society as your non-profit of choice and up to 4% of your purchase price will be donated to the Museum. Already have a card and want to add KPHS? Log into your account online or call 800-931-6258 and add the Key Peninsula Historical Society. <http://www.bartelldrugs.com/b-caring-card>

The projects of the Key Peninsula Historical Society and Museum would not be possible without the generous support of our members and donors.

Museum Store

Our museum store offers a variety of books, mugs, t-shirts, maps and family tree charts. . If you are looking gifts while our store is closed, please call 253-884-2511 for a special opening to buy a bit of KP history.

Peninsula High School Scholarship

This year we participated in the valuable scholarship program at PHS. In an effort to increase our support for next year we are asking you to save and send us your Food Market receipts so we can receive 1% of the sales through the generosity of your local Food Market in Key Center and Lake Kathryn. You can either drop off the receipts at the museum or send to KPHS at 17010 S. Vaughn Rd. KPN at Vaughn, WA. 98394.

Memorial Donations

All memorial donations are used to preserve and present the history of the Key Peninsula and are a wonderful way to remember loved ones and friends.

You can help!

Short on funds but you want to help the museum this year? Here are some ideas that might work for you:

- **Be a docent for the museum.**
Help keep the museum open by donating three hours once or twice a month on Tuesdays or Saturdays.
- **Help us compute.**
Share your computer skills with those who are just learning.
- **Help us sort and categorize current items in the museum.**
- **Help us with some carpentry and other maintenance projects.**

Call 253.884.2511 or 253.884.5403 to find out what skills you can contribute to your museum.
