The Executive Committee met in called session, at the Library, to discuss the finances of the Association and to make needed appropriations.

The secretary and the treasurer reported upon the state of the finances. In addition to income from usual sources, the Association recently received a gift of five dollars ($5.00) from the American Legion — this money to be used for the purchase of books. On this date, April 21, Mrs. Olson presented a gift of five dollars ($5.00) to the Association. These gifts raised the present cash balance to

May 26, 1945

After the president's call to order, in the library room, the secretary was asked to read her reports. These reports were for the February quarterly meeting and for the Executive Committee meetings of March 10 and April 21. The report was approved. Also, the secretary read a detailed financial report for the quarter.

The treasurer reported a balance of $25\frac{73}{}$.

The librarian reported that seventeen books had been purchased, during the quarter. Two books had been secured from the State Library, at the request of patrons and the librarian had given one book from her home library to the public library. Thanks are due to the librarian for her gift, also for her unselfish service to the Association.

The subject of securing new teaspoons for the kitchen was discussed and it was informally decided that owing to scarcity of good merchandise, due to war conditions, the purchase should be delayed.

Mr. Bigley offered to secure help and to supervise the hanging of the weighted partition over the counter in the Hall and to supervise the clearing out of old papers and waste material from the space over the ceiling.

Several welcome gifts of money had been received, during the quarter, and the secretary was instructed to write letters to certain givers who could not well be thanked personally.

As a token of appreciation of the kindness of Douglas and Donald Blundell, who had for two or three years brought in fuel for the library room and had done many small services for the Association, it was moved, seconded and carried that a gift token of two dollars be presented and that future payment be made at the rate of fifty cents per hour.

A motion was made that sufficient money be appropriated to provide for the purchase of wall board for the finishing of the toilet room, and that Mr. Bigley be authorized to make the purchase and supervise the work. The motion was seconded and carried.

Another informal discussion of the subject of teaspoons for the kitchen resulted in the proposition that the different organizations using the kitchen be requested to ask their members, as a temporary measure, to bring for use in the kitchen such odd but usable teaspoons as could conveniently be

spared from their homes. There was general agreement that this be tried.

A motion was made, seconded and carried that the missing pane of glass in the lower tower window be replaced. This added task Mr. Bigley undertook to perform.

Climaxing a lively, informal discussion, Mr. Johnston moved that the Executive Committee divide the district into convenient sections for canvassing and that one solicitor in each section canvass that section asking for contributions to be used for re-painting the library building. The motion was seconded and unanimously carried. Mr. Johnston then offered to canvass a large section beyond his home.

Arrangements were made for a meeting of the Executive Committee at the home of Mrs. C. S. Olson, Monday, May 28.

This closed the business of the day, and adjournment followed.

Minnie E. VanDyke, Secretary.

August 25, 1945

The Library Association's Quarterly meeting was called to order by the Vice President, Mrs. J. H. Jensen, who requested, on account of time, that Mr. Milan Mikich who had come from Gig Harbor to address the gathering, be asked to make his talk, before the regular business of the day should begin.

The members present listened attentively to Mr. Mikich who began his remarks by making a statement of the purpose of library endeavor. His definition of this purpose was, "to render guidance to those who need guidance—

—most of all, to children."

He told of the endeavors of the County Board of Directors of library work, and that the county system of library administration was to begin, Jan. 1, 1946. The plan proposed included an entrance into a contract with the City Library of Tacoma with regard to books and the circulation of same.

He referred the members of the Vaughn Association to Mrs. Byron F. Waye, Shawaway, c/o Tacoma Public Library, for information and printed matter relating to the subject of the proposed County Library System.

The Association president having entered during Mr. Mikuch's talk, Mrs. Jensen asked her to take the chair. Mrs. Olson and various members asked many questions of Mr. Mikuch. He graciously answered these questions as he was able.

The day's order of business ensued. The secretary's report for May 26 was read and approved. The secretary's financial report for the second quarter was read.

Much to the embarrassment of the secretary, Mr. Johnston made a motion that the secretary be thanked by the Association for these reports as given. The motion was seconded and graciously carried.

The secretary has received the tribute with gratitude and humble appreciation. Not many officers have the good fortune to serve so kind and courteous groups. Perhaps, should we be more sympathetic and appreciative, it would not be so

difficult for all our community groups & funds leaders and workers.

The treasurer reported a balance on hand of $39 33/100.

At the president's request, a report was rendered of the moneys received for the "paint fund" by the various solicitors. The total received, to date, was $186 50/100. No payment from this fund had been made.

An informal discussion followed concerning various topics relating to the library building and its equipment and the work that should be finished before the coming of winter.

The president requested Mr. Bigley to purchase a cord of good wood to be delivered as soon as it could be secured. Concerning the purchase of teaspoons, as had been contemplated, Mrs. Bigley showed to the members a very attractive spoon that she had found at a low price, in the city. Mrs. Johnston stated that he expected to go to the city where he thought he would be able to purchase such spoons, and that he would try to secure six dozen for the society. His offer was accepted, informally.

Mrs. Blundell reported that she had received $1 75/100 in fines and donations, and that she had spent 30 cts. for ink. She said that two books had been secured for patrons, during the quarter, from the State Library. She submitted, as a plan for securing books for pre-school children, that gifts of recent books of this description be solicited from homes where they are no longer of value.

As no more business was proposed, the president pronounced the meeting adjourned.

Minnie A. Van Slyke, Secretary

Nov. 10, 1945

The quarterly meeting was called to order by the V. Pres., Mrs. J. H. Jensen.

The report of the meeting of August 25 was read and approved. The secretary's financial report followed, showing $43 63 in the general fund and $106 16 in the special fund.

The treasurer was absent, but as the books of the treasurer and the secretary had been compared, Nov. 7, and had been in agreement, the above figures were accepted as correct.

Mrs. W. Johnston reported upon the purchase of spoons, as arranged, Aug. 25, She had bought the spoons, but at somewhat greater cost than had been originally planned. She presented a bill for $8.10. It was promptly moved, seconded and carried that this amount be repaid to Mrs. Johnston.

A motion was made that the lumber and one paint brush, recently bought from the Visell Lumber Co., be sold to Mr. J. M. Hains for five dollars. The motion was carried.

A motion was made by Mrs. Welch that four dozen cups and two dozen knives and forks be purchased for the kitchen. Mrs. Bigley seconded the motion and it was carried.

It was moved by Mr. Bigley that the association affiliate with the County Library System, and that the secretary make application for necessary blanks. The motion was seconded and carried.

Having been requested to do so, Mrs. Jensen appointed a committee of four men belonging to the Association to meet with a similar committee from the

Louis F. Dow Co., Mfg. Stationers, St. Paul, Minn.

Upper Sound Grange to plan for improvements on the Library property. Those appointed were; Mr. Jos. Digley, Mr. Lee Welch, Mr. Wm Regua and Mr. J. M. Hains.

No further business was proposed and a motion for adjournment was carried. Omission. The secretary was instructed to ask the Longworth for appointment of four members to meet with Grange and Library Com.

Nov. 10, 1945

After the close of the regular meeting, Mrs. Jensen called a meeting of the four members of the executive committee who were present. A motion was carried appropriating fifteen dollars ($15.00) to be used by Mrs. Johnston for the purchase of cups, knives and forks as planned at the regular meeting which preceded.

Feb. 9, 1946 was called to order

The 64th annual meeting of the V. B. P. L. A. by the president, Mrs. E. S. Olson, who sounded the call to order, in the Hall, and asked for the report of the secretary. This repost was read and approved.

The treasurer was not present, and the secretary was asked to read her financial reports. These reports were given for the quarter and for the year; also, the report of the special fund. These reports showed $79.24 in the hands of the treasurer and $82.16 in the special fund, in the care of Mrs. Olson.

There were no reports from the standing committees. Mrs. Johnston reported on the purchase of cutlery and cups and saucers, stating that the total cost had been a little less than the $15.00 that had been appropriated for the purpose.

The secretary was asked to report on correspondence with the officials of the County Library System. She reported that there had been no replies to either of the letters written. A reply from Mr. Mikich was expected.

The president then availed herself of the opportunity to express the appreciation of the Association for benefits recently conferred by different members. Those mentioned as having conferred these benefits were: Mr. Glenn Harriman, Mr. Bigley, Mr. Jensen, Mr. Lee Welch, Mrs. Hains, Mr. Regua, Mrs. Burnham, Mr. Dan Welch, Mrs. Hoem and Mr. Embury, Jr.

Since Mr. Hains had given very devoted attention to the care of the Hall, during the cold weather, it was moved, seconded and carried that he be paid for his care and attention, and, also, for making the Hall comfortable, Jan. 26 and Feb. 8.

A motion was carried appropriating $1.12 to pay for coffee and milk used, Jan. 26.

The president made a few remarks with res-

erence to the work of the volunteer committee that had been considering needed improvements of the building. A motion was made "That the Library Association undertake the improvement of Library Hall by the installation, in the basement (to be constructed), of a dining room and kitchen and of a heating plant and of sanitary plumbing — Provided: That money and labor can be secured and that plans for such improvement are approved by the members." The motion was carried.

Some of the members present requested that the deed to the Library property be presented. At the request of the president, the secretary presented the deed and a certified copy of the same. Mr. Evans kindly consented to take the original deed and to check with the secretary as she read aloud, before the assembled members, the certified copy. Thus all present were enabled to obtain accurate information about their title to their property.

There had been some consideration of the appointment of a committee to prepare and examine plans for the contemplated improvements, but, as the president suggested that the appointment of such a committee would be more timely after the soliciting committee had made a report, no planning committee was appointed, at the time.

Mr. Johnston moved that the volunteer committee that had been working, outside the Association, be allowed to proceed with the plans it had already made for soliciting funds. The motion was carried and no other soliciting committee was appointed.

The president suggested that the appointment of a building committee, like the appointment of the committee on preparation of plans, would better wait for the report of the soliciting committee. The date for this report was not set.

The annual reading of the Constitution and by-laws was next on the order of business.

Because of an error in preparation of the Order of Business, the report of the Librarian, which should have been heard, early on the program, was requested, at this time.

The Librarian reported that twenty-five new books had been purchased, during the year. Two books had been given to the library by the American Legion, also. Other friends had donated books. 590 books had been drawn from the library, during the year. $8.25 had been received as fines and membership gifts. The librarian reported upon the different types of books demanded by borrowers.

After this report, came the annual election of officers which resulted as follows:

President, Mrs. Walter Johnston, elected by unanimous ballot, cast by the secretary.

Vice President, Mrs. Lee Welch, elected by ballot and the withdrawal of Mrs. Froboese, who had received an equal number of ballots.

Secretary, Mrs. W. E. Van Slyke, elected by unanimous ballot, cast by the president.

Librarian, Mrs. H. Blundell, elected by unanimous ballot, cast by the secretary.

Treasurer, Mrs. Richard Froboese, elected by unanimous ballot, cast by the secretary.

Chairman of Advisory Committee, Mr. Robert Stratford, elected by ballot.

Chairman of Entertainment Committee, Mrs. Mason, elected by ballot.

The election having been completed, the president asked for further business - if any.

Mr. Stratford suggested that the different organizations using the Hall might properly be asked to pay more for that use. This is a matter for the action of the trustees, but remarks at this time were welcome as indicating the wishes of the members for the guidance of the trustees.

Louis F. Dow Co., Mfg. Stationers, St. Paul, Minn.

No action was taken as to the different organizations but Mr. Johnston moved that the Executive Committee be asked to appoint members to investigate and to report upon the advisability of putting the moving picture operations upon a percentage basis. The motion was carried.

The president pronounced the meeting adjourned and a pleasant social hour followed. Coffee and cookies were served.

Winnie E. Van Slyke, Secretary.

Within a few days after the annual meeting, Mrs. Stratford notified the secretary that he had selected as associate members of the Advisory Committee Mrs. J. M. Hains, Mrs. Jos. Bigley and Mrs. R. B. Davidson.

Mrs. Mason reported her selection of Mrs. Helen Mills, Mrs. E. S. Olson, Mrs. Flotten and Mrs. I. Emburg as associate members of the Entertainment Committee.

Winnie E. Van Slyke, Secretary.

Feb. 19, 1916

The business meeting of the Executive Committee of the V. B. P. L. A. came to order at the signal of the president, Mrs. Johnston.

The first item of business presented was a motion that five dollars be paid to Mr. Hains for his care of the plumbing during the cold weather of the past winter. The motion was seconded and carried.

A bill of four dollars, presented to the secretary by Mr. Jos. Bigley, was next considered. This amount was asked as payment for a rick of dry wood. A motion that the bill be paid was seconded and carried.

The next matter discussed was the question of increasing the amount to be collected from the

moving pictures shown by Mrs. H. J. Barnett. It was informally agreed that a flat charge was preferable to a percentage of the proceeds. It was moved, seconded and carried that $3.00 per opening be asked as rent.

The purchase of some new books was next discussed. Finally, it was moved that fifteen dollars be added to the five dollars that had been given for books by Mrs. Hoem. The motion was seconded and carried.

The problem of securing a janitor was discussed, and the secretary was asked by the president to ascertain from Mrs. Haines at what rates he might undertake the care of the Hall.

In response to a suggestion that a publicity committee was needed, the president appointed Mrs. Blundell to take care of publicity.

The secretary presented an application from an industrial union for the use of the Hall for its meetings. After much deliberation, the secretary was requested to prepare a written agreement to be approved by the trustees and to be presented to the aforementioned applicant for signature.

2-30, P. M., Mar. 2, was named by the president as the date for the next meeting of the trustees.

The meeting was adjourned.

Minnie E. VanSlyke, Secretary.

Trustees' Meeting, March 2, 1946

The trustees met and came to order in the Library Room. The minutes of the Executive Committee meeting of Feb. 19 were read and approved. The president then requested the report of the interview with Mr. Haines that had been provided for at the Feb. 19th meeting. The secretary reported that Mr. Haines, on account of other pressing activities, was reluctant to ac-

cept the care of the Public Hall, but that he had suggested other persons who might undertake this work. The secretary had interviewed one of these parties. This party had agreed to take the matter under advisement and would report, after investigation.

The secretary then made a report on the agreement that she had tried to draft for the arrangement between the Association and the industrial union desirous of using the Hall. This sample agreement was read and discussed. Mrs. Frobose and Mrs. Mason suggested small changes and the secretary was asked to prepare copies for the use of the prospective tenants and for the Association.

The subject of the selection and purchase of the books for which provision had been made, Feb. 19, was then taken up. Volunteers for a purchasing committee to act with the Librarian were asked. Mrs. Welch signified willingness to help, in this way.

The ~~committee~~ trustees then, informally, discussed the subjects of fuel, plumbing, and minor repairs about the building. The trustees sanctioned the use of the card tables by the P. T. A., Mar. 22, Mrs. Gabrielson assuming responsibility for them.

No further business was proposed and the president pronounced the meeting adjourned.

Winnie E. Van Slyke, Secretary.

Executive Committee Meeting, Apr. 3

The meeting was opened, by the president, for an informal discussion of suitable means for raising money. Several projects were discussed. A suggestion for a "White Elephant Sale" was tabled. Plans were discussed for a "Basket Social" to be held in May.

All these plans were discarded in favor of a "Pot-Luck Dinner", to be held, Apr. 17.

An offer of janitor service, accompanied by a schedule of charges, was presented. Before accepting or rejecting this service, it was decided that this schedule of charges should be presented to the tenant organizations that would be interested.

The meeting was adjourned.

Executive Committee Meeting, Apr. 12, 1946

At the call of the president, five members of the Executive Committee met in the Hall to consider special business.

The first matter to be considered was the payment for the books recently purchased from Rhodes Bros. It was moved and seconded that 80 cts. be appropriated to make up the amount necessary for payment of the bill, as rendered. The motion was carried and a warrant was drawn on the treasury for 20^{80}/_{100}$ to pay for the books.

A motion was made and seconded, providing that Mr. Robert Stratford be appointed Treasurer for the Library Building Fund. Also: That Mrs. W. E. Van Slyke be authorized to countersign all checks issued by him and to keep a record of the same in the

Louis F. Dow Co., Mfg. Stationers, St. Paul, Minn.

Library Record Book. All bills against the fund are ordered to be verified by Mrs. Wm. Regua - until the secretary is notified by the Building Committee of other arrangements. The motion was carried.

Mr. Stratford, as chairman of the Advisory Committee, suggested the propriety of providing an effective fire-extinguisher for the building. A motion was made, seconded and carried appropriating necessary funds for the purchase of such fire-extinguisher in the very near future.

The other members of the committee gratefully accepted Mr. Stratford's offer to provide a set of filing cards for cataloguing the books in the library.

The committee meeting was adjourned.

Winnie E. Van Slyke, Secretary.

May 10, 1946

The president, Mrs. Walter Johnston, called the meeting to order in the Hall. She asked for the report of the secretary which report was read and approved. Minutes of Executive Committee meetings of Feb. 19, Apr. 3 and Apr. 12 and of the trustees' meeting of Mar. 2 were read for the information of the members.

The treasurer reported for the period from Feb. 4 to May 2 total debits of $129.74. During this period, she had paid warrants amounting to $50.79 leaving a balance of $78.95.

The librarian made a report on the condition of the library and of a call she had made at the office of the County Librarian who had promised to visit the local library, in the near future.

There were no committee reports, but the sec-

retary asked permission to read to the members information for borrowers from the County Library, which information had been brought to her by the Vaughn librarian.

The secretary's financial report for the first quarter of 1946 was requested by the president, after which there was more discussion with reference to the affiliation with the County Library.

Having headed a committee to try to secure janitor service, Mrs. Johnston reported that this committee had arranged with Mrs. L. Harriman to take full charge of janitor work for all occasions. A full service was to receive $3— in payment. Any partial service was to be arranged with Mrs. Harriman, according to her pleasure. It is understood that Mr. Barnett is to be given some lenience. The Amaranth has undertaken to provide its own service which is to conform to the standards set by Mrs. Harriman.

The librarian suggested that a change might be made in the Association's fiscal year. It was a new thought and it merits critical consideration and evaluation.

The matter of the fire extinguisher considered in the April 12 report was brought up. Mr. Stratford was not present, May 10, and no one but the secretary had spoken with him regarding the subject. Mrs. Regua suggested that the price mentioned might be greater than it should be necessary to pay. No formal action was proposed.

A note from Mrs. Mason asked for her release from the chairmanship of the Entertainment Committee. A motion that her resignation be accepted was carried. The president thereupon appointed Mrs. Wm. Regua to take this chairmanship, for the unexpired portion of the term.

No further business was presented. Mrs. Johnston asked Mrs. Regua to present a musical number

Louis F. Dow Co., Mfg. Stationers, St. Paul, Minn.

This Mrs. Regua did, affording very great pleasure for those present who begged for more and more. Mrs. Johnston read several very funny items, from the Coronet, which made us all laugh heartily. Mr. Regua and Mr. Kael next gave a harmonica - piano duet which was much enjoyed and Mr. Kael, Mr. Johnston, Mr. Dan Welch and Mr. Regua gathered around the piano and sang three old melodies to which Mrs. Regua played accompaniments.

All in all, it was a pleasant hour, while Mrs. Harriman was preparing coffee and serving cookies for refreshment. This was exceedingly kind of Mrs. Harriman and the group owes her hearty thanks.

We missed some of our dependable friends and helpers, but hope they may be with us, another time.

Minnie E. VanSlyke, Secretary.

After discussion, a standing vote upon the proposition for the change in No. 11 of the By-Laws, as above quoted, showed more than a two-thirds vote for acceptance; therefore the proposition was accepted.

After discussion, the further recommendation that By-Law No. 10 be worded the same as By-Law No. 17 and that By-Law No. 17 be stricken from the By-Laws received a standing vote of more than two-thirds for acceptance. Therefore the proposition was accepted.

The committee intrusted with the preparation of the Coblentz plaque reported no progress but planned to be able to report at the November meeting.

The librarian reported light summer-time book circulation and that the County librarian had been critical of the shelf arrangement of the library room. Following some discussion, Mr. Jensen volunteered to assist in re-arranging the shelves without charge. Mr. Bigley, also, offered to help and the offers were cordially accepted by the president, who asked Mr. Jensen to be chairman of a committee to accomplish the improvements.

The treasurer could not be present, but she had checked her balance with that of the secretary, and the records were in agreement. December 12, 1947.

The secretary reported that the records of the "Paint Fund" had been closed.

The president asked for a report from the committee intrusted with the preparation of the Coblentz plaque, but this committee was not ready to make a report.

It was moved, seconded, discussed and carried that fifteen cents be added to each charge for Hall rent, as soon as a garbage disposal system had been inaugurated.

Another motion provided that transfer papers be purchased for the windows. This motion was seconded and carried.

There was some informal discussion of the janitor service, but it was decided that the matter be left as it has been — no janitor service being provided by the Association, but such service being provided by the tenants. This has, apparently, been more satisfactory to the tenants.

The secretary had been requested to consult Mr. Thos. Gabrielson about a water-rental agreement. Mr. Gabrielson asked that the matter be deferred until he could make some further investigation.

It was moved, seconded and carried that the Library Association bear the expense of Hall rent for the next meeting of the P.C.C.C.

No further business was proposed and a

motion to adjourn was carried.

The social hour that followed adjournment was one that is remembered with pleasure by all those in attendance.

The first item of business to be considered was the proposition that it was advisable to increase the amount of fire insurance.

A motion was made, seconded, discussed and carried that the amount of $1000.00, at present carried, should be doubled; and that a policy for $2000.00 should be carried.

The next subject discussed concerned the disposal of garbage from the Hall. It was moved that, after Jan. 1, 1948, fifty cents be paid, each month, for disposal of such garbage as bottles, tin cans, etc., to be collected in a garbage container in the kitchen. It was further moved that notices be painted on the sides and cover of such garbage can indicating that no other types of garbage should be placed in the can. This motion was seconded and discussed and passed, unanimously.

It was unanimously decided that a new schedule of rentals for the Hall should be adopted, to be in effect, Jan. 1, 1948.

The new schedule adopted was:

For evening openings --- $1.75.
For afternoon openings ---- .90

These rates were to apply to <u>all tenants</u>.

who might be willing to serve as officers of the association, for 1948.
